

## THOMPSON IS SWORN IN AS COURT JURIST

Sworn In at Two Years His Qualities as Jurist in United States.

Springfield, Ill., June 15.—For the second time within two years Floyd M. Thompson of Rock Island today took the oath of office as justice of the supreme court of Illinois from the Fourth judicial district.

The fact that he is but 33 years old and receiving the oath of office for the second time as the youngest supreme court justice in the United States is noteworthy, but still is on a par with the preceding life of the young jurist who rose from a farmer boy of Green county, Ill., to the state's highest tribunal.

His reelection June 6 proves his popularity, when it is considered that the same people who last fall elected up a Republican majority of 16,000 for Harding gave Justice Thompson, a Democrat, a majority of more than 10,000.

Justice Thompson was born on a farm in Green county, near Roodhouse, Ill. His early life was much the same as that of the son of any poor farmer. Gathering such education as he could while helping his father on the farm, he was finally able to enter the high school of Roodhouse, where, after a four years' course he graduated at this age, characteristics which have gone far toward making him a great jurist were in evidence.

Roodhouse Proud.

Frank Merrill, editor of the Roodhouse Record, in writing of that part of Justice Thompson's life, says:

"Through early training and by natural instinct he was a gentleman, and an elemental trait that impressed his acquaintances was his faithfulness to every obligation and assiduity to the task at hand, qualities that have stuck to him and earned for him the reputation of being one of the hardest workers among his associates on the bench.

"Popular enough with his young companions, yet his friendship carries no age limit. We older people like him for his manly bearing, his unostentatious, though always cordial, greeting, and it would be difficult to name a young man who has gone from this town taking with him a cleaner reputation or better wishes than Floyd Thompson.

**Surmounted Handicaps.**  
"In all his political battles he has had to overcome what would have appeared to many to be almost unsurmountable handicaps. Justice Thompson's whole political career is a contradiction of the dope of political bosses who operate on the idea that the people will vote the ticket regardless of the merits of the candidates."

**ARMY OFFICERS "IN BAD."**  
Washington, June 15.—Criminal proceedings against a number of former army officers may follow President Harding's action in cancelling war department contracts with the United States Harness company at Ransom, W. Va.

## AMUSEMENTS

At the Spencer Square.

Motion picture directors have discovered that you can find anything anywhere, especially in southern California.

Such a discovery made possible some of the beautiful exterior scenes of "Her Beloved Villain," a new Wanda Hawley starring vehicle, now at the Spencer square. To give the place a proper setting, a typical home of the wealthy class, with appropriate garden, was needed. Imagine the elation of Director Sam Wood when the studio "location" man brought in photographs of an absolutely perfect place of the French type not ten miles from the studio.

The home is that of a wealthy Eastern millionaire. It overlooks the beautiful Arroyo Seco and the city of Pasadena, winter playground of America. The owner is a devotee of the French in art and architecture and his magnificent residence carries out the French motif in minutest detail.

Although brand-new, it has been built with a simulation of that picturesque age one expects in Brittany or in the Le Mans valley. The shingles are covered with moss—the timber of the garden gate is stained and weather-beaten. Even the trees of the estate are old—especially transplanted at great cost.

"It is absolutely perfect," said Director Wood, "we couldn't have secured a more fitting location even in France."

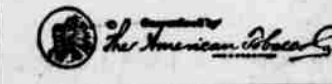

"Her Beloved Villain" is a Real-art picture directed by Sam Wood from the scenario by Alice Eytan. An excellent supporting cast includes Ramsey Wallace, Tully Marshall, Lillian Leighton, P. Tempier Powell, Robert Bolder.

**C. J. HANDSHAMAN** of Amesbury, Mass., who says he had lost all hope that anything could cure him of Rheumatism, declares that since taking Neutrone Prescription "99" he has no more aches or pains and feels twenty-five years younger.

"I am in my fiftieth year, but since taking 'Neutrone Prescription 99', I am as healthy and strong and can do as much work as I could twenty-five years ago," declared Mr. C. J. Handshaman of 40 Elm St., Amesbury, Mass.

"For the last six years I have suffered untold pain, day and night; at times so bad I could not sleep. My legs swelled so I could hardly walk."

"I saw by the papers what fine work 'Neutrone Prescription 99' was doing for other rheumatism, so I got some. It did me good right from the start. All the aches and pains left me; the swelling in my legs went down, and I feel like a young man again."

"Neutrone Prescription 99" is what put me on my feet again, and I'm glad of the chance to tell everybody about it."

"Neutrone Prescription 99" now comes in tablet as well as liquid form, whichever is preferred. Leading Druggists everywhere.

CHICHESTER'S PILLS

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger. (Advertisement.)

## FIND TRUSTIES IN DARK CELLAR

Members of Sheriff's Force Located Escaped Men in Corner of Court House.

John Adams and Homer White, trusty prisoners in the jail, who disappeared yesterday morning, were found yesterday afternoon by members of the sheriff's force, covered with cobwebs and dust, hiding in a secluded corner in the basement of the court house. Adams was garbed in street clothes beneath his overalls and the pair were evidently awaiting nightfall to make their getaway.

Adams would have completed his sentence next month. He was sentenced for passing a bad check. He had, during his confinement, been engaged in daily tasks around the court house.

White had served 60 days in jail and had about ten more to serve. He had been working out the costs of a fine.

Friends Help Mr. and Mrs. William Rottig to Celebrate Their 25th Wedding Day.

(Special to The Argus.)

Milan, Ill., June 15.—Friends and relatives numbering 125 surprised Mr. and Mrs. William Rottig at their home on Fourth and Water streets, last evening, in honor of their 25th wedding anniversary.

Music was played during the evening by Mr. and Mrs. J. V. Mudd of Milan and August Rolf of Rock Island. Cards were played, after which dancing was enjoyed. A delicious luncheon brought by the guests was served late in the evening.

The couple was married in Black Hawk township 35 years ago. Mrs. Rottig before her marriage was Miss Clara Weinberger of Rock Island. Until six years ago when the couple moved to Milan, they had always resided in Black Hawk township.

Mr. and Mrs. August Steinberg of Glenn Bluff, Ill., arrived today to spend their vacation with Rev. and Mrs. Decker. Sunday evening Mr. Steinberg will lead in the song service of the Methodist church.

Rev. Decker, who suffered an attack of sun stroke last Monday, is much improved today and will be able to preach Sunday, it is believed.

The bazaar scheduled to be given last evening by the Ladies' Mission society of the McConnell's church of Bowling will be held this evening instead. The postponement was due to the weather. The bazaar will be held on the lawn of the David Rathbun home.

Miss Gladys Titterton was operated on at St. Anthony's hospital

yesterday for the removal of her tonsils. She was removed to her grandmother's home in Rock Island today. Mrs. John Titterton, 1022 Fourteenth-and-a-half street, Lowell Brown of Milan was also operated on for the removal of his tonsils.
